Dear Your Honor,

I am requesting to take my annual family vacation to Aruba, September 29th to October 6th. I submitted the travel form and am contacting you now to get this approved. I apologize for the short notice, but I wasn't aware of the procedure. Thankfully, Mrs. Jensen directed me in the right direction. Last year you approved my trip and I would really appreciate you doing this again for me. I am traveling with my pregnant wife, my 2-year-old son and my in laws (her mother and step father). We take this trip every year and it would cost me \$600 for my ticket if I wasn't allowed to go plus my room fees. I am almost completed with my 2-year probation (ends November), did everything I was supposed to do and followed all instructions that I was given. Again, I'm sorry for the short notice, it would mean a lot to me if you could approve this so I can take this trip with my family.

They would be devastated if I was unable to go. Thank you very much.
